Certification Completed: 06/07/2021

Certification is valid for 2 years from date listed

Based upon successful completion of the required training, under Ohio Administrative Code 1501:31-19-02 (D) the listed business is hereby authorized to possess cervid carcasses and parts thereof taken from outside of the state of Ohio.

This certificate is contingent upon the following conditions:

1. All cervid carcasses and parts from out of state must be disposed of in a licensed municipal solid waste landfill which accepts animal carcasses. Carcasses or parts may be transported to the landfill by this certificated business or a service provider.
2. This certificate must be made available upon request to any Division of Wildlife employee.

Failure to comply with these conditions will result in revocation of this certificate. Questions regarding certification can be directed to the local Division of Wildlife District Office.
